In the fall of 2019, our staff created the EntreFEST Diversity & Inclusion Team to focus on increasing the accessibility of our event and the diversity of speakers and attendees involved. We are proud of this group's work and they have returned to continue moving our efforts forward for our 2024 event. Now, each EntreFEST sponsor has the opportunity to offer scholarships in their company name to attendees who might not otherwise be able to attend the event. Add on \$1,000 to your event sponsorship and 8 scholarships will be provided in your company name. Sponsors may add on additional scholarships in increments of \$1,000.
